

Way To Play!

Like the other mind challenges, you need to defend your position on the question given and your response. You gain a point if the other player approves of your response. Otherwise, see how well you can respond to these questions mentally. Surprise yourself!

Mind Challenge #10 – The Question of What (with some consideration on the how come side)

Begin here:

1. What is the actual cost to remove a stain from a window panel?
2. What is the truth behind your name?
3. What is the total number of hours needed to assemble a lathe machine (even if you guess)?
4. What does your birthday mean to others who you love?
5. What is the outcome for you if you spend a day sans actual spending money at your fingertips?
6. What in your estimation will actually occur on doomsday (if such an event comes to pass)?
7. What is the cheapest way to remain cool in your dwelling (if applicable) if you only have \$100 (USD) maximally to spend (this includes the use of fanning, etc)?
8. What is the best method to avert the pain of hindsight (after realizing an event after the happening)?
9. What is illogical about the phrase “there is no problem around here” (this may be logical also....try to reason this one and you will be astonished)?
10. What are the two most intriguing questions to ask family members who you admire the most and why haven't you asked them these questions yet (if not already done)?
11. What is a reasonable time frame to render an apology to another when you realize you have done as small wrong (this is better than sustaining a frenemy)?
12. What is your net income if you pay federal taxes on \$100,000 at the rate of 48% (hint $100,000 \times 0.48 = \$48,000$) – Please double check our computation and continue)?
13. What is the best time frame for you, in your opinion, to concentrate on a complex problem?
14. What is your preference of the following abode: a duplex townhouse or a condo?
15. What is your favorite dessert? Why?
